This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Hodder & Stoughton General Division. Paperback. Book Condition: new. For years Larry didn't know where his mum lived and he didn't dare talk of her at home, his mother's presence left a gaping hole. As soon as Larry was old enough, he left home. Putting as much distance as he could between himself and his volatile childhood, he set off on a journey that would take him to work as an encyclopaedia salesman in Germany, in the oil business in Libya and Nova Scotia until he found himself staring on Broadway. In time it would take him to Hollywood too and bring him leading roles on the Square in Eastenders and in Billericay in the much-loved comedy Gavin and Stacey. Along the way Larry wasn't just trying to make his own way in the world, he was seeking the close female companionship he'd missed out on with his mother too. After a series...
