PROSPERITY?: SEEKING THE TRUE GOSPEL (PAPERBACK)

Acts Kenya, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.If even an angel preaches a gospel contrary to God s word, he is under a curse. There is not a Christian in the world that does not need to seriously consider Paul s words to the Galatians. The gospel is the church s most precious gift to cherish, protect, and pass on. We must never stop checking what we believe and preach, and then ask the question: Is this the gospel? Is this the gospel that God has revealed to us in the Bible? There is a false gospel--the prosperity gospel--sweeping across continents. There are many churches preaching this false gospel. It is a dangerous lie wrapped in a covering of religion. Those affected by it are being led away from God s good news to a man-centered deception. Paul took nothing more seriously than the danger of a different gospel and we feel the same way. Nothing is more serious; our souls depend on it.
