Beacon Hill Press of Kansas City. Paperback / softback. Book Condition: new. BRAND NEW, Sermon Outlines on the Sermon on the Mount, Gene Williams, Sermon Outlines for the busy pastor needing a place to start in sermon preparation or additional thoughts to add substance to Sunday's message. Each book in this series provides 25 to 30 outlines. While these fully developed outlines are designed to be used in series preaching, most can be adapted for stand-alone sermons. Every sermon outline is directed to the needs of today's congregants-to challenge, inspire, and motivate to service for Christ and His kingdom. As the pastor develops these outlines through further research and personal illustrations, the resulting sermons will become effective channels for spiritual life and growth. This book contains a series of sermon outlines from the Sermon on the Mount (Matthew chapters five through seven). Each message builds upon the previous one and provides a strong preaching program.
