

Stories from the Greek Tragedians (Hardback)

Filesize: 2.22 MB

Reviews

The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

STORIES FROM THE GREEK TRAGEDIANS (HARDBACK)

[DOWNLOAD](#)

Blurb, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A masterful retelling in modern English of thirteen of the best-known classical Greek tragedies from the genre's most famous authors: Euripides, Aeschylus, and Sophocles. From the inspiring love story of Alcestis to the fiery vengeance of Medea, from the trials of Hercules to the death of Agamemnon, the vengeance of Electra to the Battle of Salamis, this book provides all the content and flavor of the original works in an accessible format for the contemporary reader. Greek tragedy is one of the oldest forms of theater in the world, and its stories are so timeless that many of its themes provided inspiration for Shakespeare. It reached its height in fifth century Athens, drawn upon myths from the oral traditions of archaic epics. Aeschylus (c. 525-456 BC) established the basic rules of tragic drama and is credited with inventing the trilogy, a series of three tragedies that tell one long story. Sophocles (c. 497-406 BC) was the first to introduce large numbers of actors onto the stage and he created the series-of-scenes format which the present-day theater still uses. Euripides (c. 480-406 BC) introduced the plot formats which have shaped theater to the present-day, particularly in the presentation of heroes as ordinary people in extraordinary circumstances. This is a vital work which will help round off any classical European education.
