I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Great American Business Economics Press, Incorporated, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.With the advent of a global socialist ideology in the Democrat Party, the nation has entered into new uncharted territory. Madison s constitutional arrangement was designed to pit the elite special financial interests in one political social class against the non-elites in the other party. He made the constitutional rules unbalanced and unfair, to benefit the financial elites. The socialists are poised and positioned to obtain the levers of power that had been reserved for the financial elites. At the same moment in history that the Democrats abandoned their allegiance to the middle class, the Republicans morphed into a global corporatist party, which no longer defends American sovereignty. As a consequence of these two political developments, the citizens of America do not have a legitimate choice for a party to represent their interests. Citizens under Madison s constitution did well when they had economic and financial opportunities for wealth and upward occupational mobility, and they have not had these conditions since the Republicans passed laws that severely damaged the welfare of the citizens. In the absence of economic growth, citizens have needlessly suffered economic failure and depressions. This book described the economic consequences of the Republican abdication of their historical role. -The Disastrous Macro Economic Consequences of Republican Trade Policies. -The Negative Consequence of the Republican Trade Policies on Job Creation. -The Consequence of the Republican Abdication On American Ingenuity and Technological Innovation. -The Consequences of the Republican Economic Policies on New Venture Creation and Entrepreneurship. -Regional Economic Decline Caused By The Republican Abdication. The book described that future politics in America had to come up with policies on how to manage the relationship between a new American...
