ALLIGATORS IN B-FLAT: IMPROBABLE TALES FROM THE FILES OF REAL FLORIDA (FLORIDA HISTORY AND CULTURE)

[DOWNLOAD](#)

University Press of Florida. Paperback. Condition: New. 352 pages. Jeff Klinkenberg is the ghost orchid of Florida nonfiction; an observer who prefers swamps and shadows to sunshine banalities; a prose writer of distinction whose roots seek out, then elegantly entwine, that which is fine and funny, outrageous and rare about our beloved state. Alligators in B-Flat is a virtuoso performance, and proves, once again, that Klinkenberg is among our finest writers. Randy Wayne White You read this fine writer and you stare with him into the canals for the dark shape of a manatee and listen for rumors of alligators and stand over the grave of a green snake in the yard in mourning. This is a writer who has never forgotten any of the mystery of this mysterious place, who never allowed his paradise to be paved over in concrete, at least inside his heart, and I could read him all day. Rick Bragg If Jeff Klinkenberg isn't careful, he might give journalism a good name. Carl Hiaasen No one captures the old, secret Florida, the Florida of the swamps and forests where alligators and panthers rule, like Klinkenberg does. He uses his formidable reportorial skills to get fantastic (often hilariously funny) stories which belie the ghastly six-lane, strip-mall, gated-community, golf-course, air-conditioned, theme-parked Nature-wrecking Florida that most of its citizens know. Almost everything Klinkenberg writes is a public service as well as an enriching and educating experience. Diane Roberts, author of Dream State Florida is a civilized place with eighteen million residents and all of the modern amenities one might expect: fine universities, art museums, world-class restaurants, and luxury accommodations. It is also home to panthers, bears, rattlesnakes, and alligators. In this collection of essays about Florida culture the things that make Florida Florida Jeff Klinkenberg sets his sights on the contradictions...
