

Dennis Hopper: The Complete Film Guide (Paperback)

Filesize: 1.39 MB

Reviews

A must buy book if you need to adding benefit. It is really simplified but shocks in the 50 percent of the pdf. I found out this pdf from my i and dad recommended this publication to learn.

DENNIS HOPPER: THE COMPLETE FILM GUIDE (PAPERBACK)

Lulu.com, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The film career of Dennis Hopper spans half a century, beginning in the mid 1950s and ending in the new millennium upon his death. Hopper had a strange but brilliant career on the screen, starting in the golden age of James Dean and John Wayne, going through the Corman B movies of the 1960s, the turbulent but brilliant 1970s, his big comeback in the 1980s, to his days as Hollywood's favourite villain in the 90s, then into the B movies and late TV gold of his final years. This book goes through Hopper's credits, the TV appearances (Medic, 24, Crash), his classic movies (Easy Rider, The Last Movie, American Friend, Apocalypse Now, Blue Velvet), lesser known classics (Tracks, Mad Dog Morgan, River's Edge), odd ball curiosities (White Star, Human Highway, Bloodbath), lost forgotten gems (Last Days of Frankie the Fly, Blackout, Catchfire) and everything in between. This is the ultimate guide to the screen work of Dennis Hopper, one of the most exciting and charismatic actors the world has ever seen.
