FUTURE AFRICA TAKEOFF: A DIVINE MISSION (PAPERBACK)**DOWNLOAD**

AUTHORHOUSE, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Outlook and Analysis of Sub-Saharan Africa in Global Economy - A Crystal Need of Changes and Policy Orientation for a Take-off in Light of Chinese Experience: A New Goal. Introductory Remarks about Sub Saharan Africa backwardness in current situation describe Africa in the World. The Past speaks to the Present towards the Horizon. Furthermore, it shows what are the major changes that have been brought by the Globalization of Markets, since the colonial destruction of the Old World today Third and Fourth Worlds. Then, it focuses on the dilemma met by peoples of these weak Old World in their pace to economic development. Globalization can cause many difficulties to Third and Fourth World nations, but also it may open up opportunities. In this era of high commercial relations and links between continents, countries or nations, worlds can adopt a variety of Development Policies. Therefore, discuss and discern what are the key-steps and key strategies that a country has to follow in order to promote economic growth and sustainable development. This will be the ultimate concern of the author. To realize economic prosperity and outgrow the world citizen s status, Developing Countries should not rest on the Western-advocated economic globalization only. They should develop their domestic economies in a way suitable for their national conditions, beef up South-South co-operation and promote North-South dialogue for the establishment of a just international political and economic order.
