HOW TO WATCH MOVIES AND TELEVISION SHOWS FOR FREE

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Can You Afford Your Cable Bill? When I left my abusive husband I had no job and no money. I had to think fast. I had three bored kids in a tiny home all screaming for entertainment. I had to find a way to occupy those kids so that I could focus on getting a job. I also needed to distract myself as I struggled through a messy divorce. Desperate for a solution I tried everything looking for an answer to the question: How do I watch television for free? We tried antennas but the signal stank. We borrowed movies but the selection ran out. We even tried renting but you have to have money for that. Late one night I sat crying at my computer. What type of mother couldn't even afford cable for her kids? That's when it hit me. Try the Internet. I opened a browser and started searching. The web was still fairly new at the time but after some digging I hit paydirt. Movies! I made a few mistakes, crashed my computer and infected that machine more times than I can count. I strived to learn from those early days, driven by the fact that my family could now watch television for FREE! Not only television but movies, webisodes, anime, documentaries, cartoons, trailers, tutorials and even more revealed themselves on my computer screen. My kids became very happy after that. I have crammed over a decade's worth of experience into this book. Within these pages you will find: * How to prepare your computer system * What software you need * How to watch movies on your television * A...
