Dover Publications Inc., United States, 2005. Paperback. Condition: New. Language: English . Brand New Book. Magical Mandala Stickers Marty Noble Geometrical designs, spirals, and repetitive patterns are basic features of the mandala, an ancient Far Eastern design symbolizing the universe or wholeness. Squares, triangles, rectangles, and other symmetrically arranged patterns within a circle graphically represent energetic movement to or from a central point. This lovely sticker collection--depicting two each of 24 different mandala designs--features motifs with such fanciful centerpieces as stars, angels, butterflies, florals, dragons, human and mythical figures, and creatures of the wild. Sure to dazzle the eye of the beholder, the colorful images will add a decorative touch to gifts, notecards, and a host of other flat surfaces.
