From Rocks to Rockets: A Humorous History of Warfare

By Gilkerson, William.

Osprey. 1 Cloth(s), 2008. hard. Book Condition: New. As a boy William Gilkerson now a painter, sailor, historian, and winner of Canada's Governor General's Literary Award used to draw little soldiers, an addiction that led to this tongue-in-cheek history of man's combative prowess over the millennia. Originally published in 1963, Gilkerson's book for all ages tells how cavemen with rocks evolved into soldiers with rockets, while all along we have been perhaps tilting at windmills. Straight-faced irony is in the text "All these new weapons enabled the peoples who owned them to take other, less fortunate peoples under their protection" while slapstick humor abounds in Gilkerson's precise miniature tableaux. "From Rocks to Rockets is both a sweeping and sobering overview of humanity's insatiable appetite for death and destruction. So why am I still smiling?" David Macaulay 64.

Reviews

This kind of pdf is every little thing and taught me to looking forward and more. It is one of the most incredible book i have read. You wont truly feel monotony at whenever you want of your time (that's what catalogs are for about should you check with me).

-- Miss Amelie Fritsch DVM

This written publication is fantastic. I am quite late in start reading this one, but better then never. You will not feel monotony at at any time of your respective time (that's what catalogues are for concerning should you ask me).
