Brand New Book ***** Print on Demand *****.Excerpt from The Flemings in Oxford, Vol. 2: Being Documents Selected From the Rydal Papers in Illustration of the Lives and Ways of Oxford Men 1650-1700 This second volume continues the educational history of Sir Daniel Fleming s family for the ten years following the conclusion of the first, from 1681 to 1690 as we reckon them, dating the beginning of the year from the first of January. At the end of 1680 Henry had been two and a half years in Oxford, without, as it would seem, having performed any of the public exercises necessary for his degree. On 11 March, 1681, he performed the exercise called answering under Batchlour , and on 30 June of the same year the exercise called generals . On 8 October, 1682, he underwent the Examination for his degree, and at the end of the year put on his gown. He was elected Tabiter on the first of December, and admitted on the sixteenth of the same month. He continued in Oxford, mainly occupied, it would seem, in reading Theology till the end of October, 1683, after which he spent six months in the north, not returning to Oxford and his studies till March, 1684. The next few months, so far as his studies went, seem to have been occupied with history, natural science (as it was then understood), and theology. He again returned to the north in October, 1684. Meanwhile John Ambrose, rector of Grasmere, had died 16 August, 1684; Henry s designs on a Fellowship at Queen s were abandoned, and he was presented to the rectory by his father.
