Encounter Books, USA, United States, 2016. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. What caused the eurozone debacle and the chaos in Greece? Because the global governancers aim to transfer core powers of all nations to supranational organizations, the EU is on a collision course with the United States. But the utopian ideas of global governance are taking root here too, even as the European project flames into rancor and turmoil. America and Europe are still...
