

The SIGMA Phi Epsilon Journal, Vol. 16: December, 1918 (Classic Reprint) (Hardback)

By Sigma Phi Epsilon

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Sigma Phi Epsilon Journal, Vol. 16: December, 1918 This is a very foolish notion, because, if post-collegiate life is to be anticipated as a thing so grave, then there is every reason why one should seek an occasional respite in the renewal of old ties. Certainly no possible harm could result from such a step, and we venture to say that a great deal of genuine good might be derived, if only to lift one temporarily out of the depressing effects of the daily routine. But in this we have advanced an argument, something we dislike very much. Now we are going to assert a truth, when we state that the excuses made by the average alumnus for his absence from Chapter activities are due more, to a spirit of self-indulgence than to the pressure of other interests. We are loath to believe that any man eats three meals a day from the top of his desk and uses a ledger to prop his head at night. Besides, the electric sign over the theatre door sometimes out-glamours the. Small light...

Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Talia Cormier**

Simply no terms to explain. I am quite late in start reading this one, but better then never. Its been written in an remarkably easy way and is particularly merely soon after i finished reading this book where basically changed me, affect the way i really believe.
