Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from You and Your Laundry All of these early and traditional methods were based on the idea of friction, either by rubbing the pieces on a board or pounding them with some form of paddle. This rub-a-dub-dub method persisted for centuries, not because it was the best way to remove soil from clothing, but because no one, until recent times, studied to find some new and more efficient washing principles. Just as for thousands of years people cooked their food by hold ing it on a stick over a bed of hot coals, because more advanced methods of using an iron range or an electric grill had not been dis covered, so too, women everywhere have followed the old drudgery washboard-friction habit of washing because the wonderful, labor saving methods of machine washing were not yet perfected. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
