

Addition Unplugged (Mixed media product)

By Barbara Rankie

Sara Jordan Publishing, Canada, 2013. Mixed media product. Condition: New. 2nd ed..
Language: English . Brand New Book. This new enhanced edition of Addition Unplugged pairs the audio CD (addition songs teaching facts to 18) with a workbook filled with activities and exercises reinforcing what has been learned in the songs. While the focus of this learning kit is the teaching of addition, supporting activities also cover a variety of strands of the new Common Core Curriculum for Mathematics including: the commutative and associative properties of addition, finding missing addends, measuring length, telling and writing time, organizing, representing and interpreting data and understanding basic shapes and fractions.
