My purpose is to be of encouragement to my brothers and sisters right before their eyes, a testament to the life changing and staying power in the love of God, . that if the lord said it , oh it shall come to pass . knowing that this life is not easy but it does have a purpose. you see the father never said this life would be easy, if it were so i believe he would choose a different route for his only begotten son to go. no one ever said this life would be easy for the bible says a man born of a woman is a of a few years but of much trouble, so trouble must be a part of the lords plan but what we must decide is if this life we live now today is working out for us a far greater good. are you living with a purpose dont let the pain of your past be the thing that constrains your future but use it as a motivator are innovator that propels you into reaching for soul salvation. this i do, so that the lord gets the glory, no one ever said life would be easy but it has a purpose and a meaning , use it in your reasonable service to the Lord.
