

## Beastly Bestiary (Paperback)

By A Tad Strange

iUniverse, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Eels in high heels! Buttery manatees! A squid who s a jerk! Hip bats! Flatulent dragons! Wombless wombats! A lucky moonlit possum! A slow sex-starved he sloth! Tricky ticks! Spiders with bad-girl allure and hourglass waists! A jazzy goose! The snuffing snowbeast! And that s not all-Frustrated roosters, gizzard nibbling lizards, and sentimentowl owls! These and many other curious creatures populate the perfectly peculiar poetic menagerie of A. Tad Strange. In the great tradition of poets like Ogden Nash, Marianne Moore, and Edward Gorey, Strange s strange 21st-century bestiary offers a roaring good time, horselaughs aplenty, and the inevitable purrs of cuddlesome readerly contentment. With slitheringly seductive wordplay, strange molts words into new meanings. He hatches high-soaringly delightful lines and swallows common-sense headfirst until only a smile remains and the piggy toes of reality are left wriggling. Beastly Bestiary -A tender treat of soft chewy poems guaranteed not to create intellectual indigestion or starve one s funny bone.

### Reviews

*Absolutely among the best publication I have got at any time go through. It really is writter in straightforward phrases rather than hard to understand. Its been desig ned in an extremely straightforward way which is just soon after i finished reading this publication through which basically modified me, alter the way i believe.*

*This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.*
