Boston With Kids is an updated 2012 travel guide and reference book series for parents, grandparents and doting aunts and uncles. There are suggestions for significant, exciting, cultural, and impressive destinations and sights as well as some nature loving experiences. There are destinations that bring to life the pages in a child's history book and suggestions for spots that tickle the imagination. Other places, like the Holocaust Wall, tug at the heart. And, of course, there are recommendations for great family-friendly restaurants. Bonus: Day trip tips for Cape Cod, Salem, New Hampshire and more. This item ships from La Vergne, TN. Paperback.
