

Calvin (Paperback)

By Martine Leavitt

Square Fish, United States, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Just because you see something doesn't mean it's really there. Seventeen-year-old Calvin has always known his fate is linked to the comic book character from Calvin Hobbes. He was born on the day the last strip was published. His grandpa put a stuffed tiger named Hobbes in his crib. And he even had a best friend named Susie. Then Calvin's mom washed Hobbes to death. Susie grew up beautiful and stopped talking to him. And Calvin pretty much forgot about the strip--until now. Now he is seventeen years old and has been diagnosed with schizophrenia. Hobbes is back, as a delusion, and Calvin can't control him. Calvin decides that cartoonist Bill Watterson is the key to everything--if he would just make one more comic strip, but without Hobbes, Calvin would be cured. Calvin and Susie (is she real?) and Hobbes (he can't be real, can he?) set out on a dangerous trek across frozen Lake Erie to track down Watterson. Calvin by Martine Leavitt is a stirring YA novel that's not just a story about one boy's struggle...

Reviews

Completely essential read book. I could possibly comprehend every little thing using this written e book. You won't sense monotony at any moment of your own time (that's what catalogues are for relating to if you ask me).

-- **Rosendo Douglas DVM**

This ebook is indeed gripping and fascinating. It had been written really properly and helpful. I am very easily could possibly get a satisfaction of reading a published publication.
