

Critical Thinking: Why It Is Limiting You and How You Can Stop It (Paperback)

By Bryan Westra

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A publication from Imagine being able to rise above all your limitations and going beyond just reaching your goals to attaining the near impossible. This is what this book seeks to explore. For the layman critical thinking is essentially the practice of questioning and mentally dissecting everything you are told before taking any action on it. There are two ways of existing in the world. The first way of existing is through consciousness. The second way of existing is through unconsciousness. It is important to get a few things straight before investigating any further. The first thing I want to talk to about is this idea of consciousness. Studies have proven that a human being can only process 7+ or -2 message units at any given moment consciously. For this reason we are unconscious of most of the things going on around us at any given moment. What we are conscious of and can pay attention to is only a small fraction of what life has to offer us. Sometimes our best thinking gets in the way of possibilities, potential,...
