William B Eerdmans Publishing Co, United States, 1989. Paperback. Book Condition: New. 223 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. A deeply learned and spiritually enriching book by a mature evangelical scholar that brings the doctrine of Christ and the human together at the point of the image of God. . . . Hughe s skills as both a biblical scholar and a historical and systematic theologian are very evident in this work, which is his best book yet. - Clark H. Pinnock, McMaster Divinity College In this wide-ranging biblical, historical, and theological study a versatile veteran makes convincing use of the concept of the divine image to integrate the doctrines of man and Christ. Philip Hughe s biblical bases are solid, his exposition weighty, and his historical interactions judicious and enlightening. This is a very valuable piece of work. - J. I. Packer, Regent College We have come to expect both solid learning and exquisite literary style from Philip Edgcumbe Hughes. The True Image is no exception. Indeed it is a remarkable piece of work, quarried from a lifetime of study in biblical exegesis, systematic theology, and church history. It is encyclopedic in its discussion of anthropology and Christology and their mutual relationship. The novice will find it instructive, while the theologically advanced will discover comprehensive exposition married to a scholarly judgment that sometimes resurrects classical views, sometimes provides the unexpected, and on occasion surprises with the controversial. - Sinclair B. Ferguson, Westminster Theological Seminary.
