Laws of Manifestation: A Consciousness Classic (Paperback)

By David Spangler

RED WHEEL/WEISER, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. Over thirty years ago, a small band of people began an intentional community called Findhorn. They lived by applying principles of attracting to oneself, through love, whatever materials, energy, or help were needed to promote wholeness or further growth. While other experts in this suddenly burgeoning field tend toward applying manifesting energy toward real estate, money, and myriad materials, Spangler looks at the basis of what he describes as a change of form, or state, or condition of being, NOT creating something out of nothing:
