

Mason s Monthly Coin and Stamp Collectors Magazine, Vol. 4: June, 1870 (Classic Reprint) (Paperback)

By Mason and Company

FBC LTD, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Mason s Monthly Coin and Stamp Collectors Magazine, Vol. 4: June, 1870 Reverse - The reverses on his first coinage are the names of moneyers, and a voided cross within the inner circle, in each quarter of which are four pellets conjoined; but in the pennies coined after his thirty-second year an alteration took place, which is described by Matthew Paris, who lived in the reign Of this king. The double or voided cross terminating with pellets was then carried to the edge of the coins, and in each corner were three pellets instead of four, not conjoined. Rarity - The pennies of this king are very common, except those with terci and rex ang., which are very rare. He coined half pence and farthings, but no collection can boast of either. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Reviews

This publication is worth getting. it absolutely was writtern very completely and useful. I am quickly could possibly get a pleasure of reading a written publication.

-- **Ariane Rau**

This book is really gripping and interesting. Of course, it is actually perform, still an interesting and amazing literature. You will not truly feel monotony at whenever you want of your time (that's what catalogues are for concerning when you request me).
