Wipf Stock Publishers, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book aims to examine the importance of Christian philosophy in theological education through the prism of the life and teachings of Emile Cailliet. The book's primary focus is on his years of teaching at Princeton Theological Seminary, to which all the authors are connected. This work examines Cailliet as a believer, teacher, scholar, and philosopher. Although Cailliet wrote over twenty books, none of them articulated his formal position on the nature of theological education. However, it is clear from his teaching at seminary and his writings on philosophy, especially Pascal, that he saw philosophy as an integral part of seminary training. We believe that Emile Cailliet was one of the most influential Christians of the twentieth century. We invite the reader to stand in the long shadow of Cailliet and consider how his life and thought can help us tackle some of the knotty questions that face us today. Emile Cailliet wonderfully enriched my life. As his teaching assistant at Princeton, I met with him almost daily to garner insights that became foundational for my life and career. This new book powerfully reflects Dr. Cailliet's wisdom, which helped prepare me and scores of others to teach thousands of students. Dr. Cailliet also encouraged me to write, especially two works on Blaise Pascal. I rejoice that Evans and Bartollas's valuable book will be available to bless and guide teachers and preachers in the future. -Charles Sherrard MacKenzie Distinguished Professor of Philosophy and Theology Reformed Theological Seminary The authors of and...
