Kober Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Path Of My Pupils As long as a passage in one of my books that deals with the substantial realm of the Spirit of Eternity and life within the radiant Spirit does not yet awaken a joyful echo within the reader--as if something once loved and long forgotten is now called to mind once more--then the passage in question has not been truly understood. Speaking to those who are seriously committed to a spiritual path, BO Yin RA offers guidance as to how best to use his books. A patient and serene approach, letting go of expectations, a generous and non-competitive spirit towards fellow seekers and faith in one's own abilities are essential. BO Yin RA emphasizes the importance of shedding the habit of living in one's thoughts, all too common in our contemporary world, so that the life of the mind does not overshadow the life of the soul. Of special interest are his personal revelations about the challenges of conveying spiritual matters, which can only be known through experience, in language. E.W.S., Publisher The Kober Press's translations of the books of BO Yin RA are the only English translations authorized by the Kober Verlag, Switzerland. The Kober Verlag publishes the books of BO Yin RA in the original German and has protected their integrity since BO Yin RA's lifetime. Contents: Who Do I Consider to Be My Pupils? A Necessary Distinction. Needless Self-Torment. Unavoidable Difficulties. Dynamic Faith. The Greatest Obstacle. Pupils and Their Companions. Inner Life and Outer World. How One Ought to Use My Books.
