EASIER PARENTING: 8 VITAL PRINCIPLES TO GUIDE YOUR CHILDREN S BEHAVIOUR SUCCESSFULLY (PAPERBACK)

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book outlines the basic principles needed for enjoyable and effective parenting, which focus on preventing problems, using encouragement, preparation, communication and teaching skills. Carole's aim, in writing this book, is to let parents know, that parenting doesn't have to be a chore. We can look after ourselves and raise wonderful children, at the same time. Parenting needn't be about sacrificing our own particular needs. Effective parenting does not come naturally, unless our own parents practised high quality parenting. Even if the parenting we received was lacking, we can still change our style,...
