EVERYTHING YOU WERE TAUGHT ABOUT THE CIVIL WAR IS WRONG, ASK A SOUTHERNER! (HARDBACK)

Sea Raven Press, 2015. Hardback. Condition: New. Large type / large print edition. Language: English . Brand New Book ***** Print on Demand *****. There are two things that enemies of the traditional conservative South cannot tolerate: being faced with the facts and having their myths and lies about Lincoln's War exposed. But if we are ever to learn the full and honest truth about the conflict, then exposed they must be. In *Everything You Were Taught About the Civil War is Wrong, Ask a Southerner!* award-winning historian and author Colonel Lochlainn Seabrook sets the record straight in this easy-to-read, well documented handbook that confronts the North's many falsehoods about the American Civil War - important facts the anti-South Movement has been suppressing for 150 years! Divided into convenient chapters, such as Cause of the War, Secession, Slavery, The Abolition Movement, Jefferson Davis, Abraham Lincoln, The Emancipation Proclamation, The Union and Blacks, Yankee War Crimes, Prisons, and The Confederate Flag (among many others), this bestselling exposé of Yankee anti-South propaganda has the power to heal hearts and change minds. For in reeducating the world about Lincoln's War it will give Northerners a better understanding of the conflict itself, while making Southerners, of all races and political persuasions, proud to be Southern. Read the politically incorrect, international blockbuster that everyone's talking about - the book that totally blows the lid off Yankee mythology - and learn the Truth for yourself, from Dixie's perspective. You will never completely understand the conflict until you do. Contains over 1,000 endnotes and a 700-book bibliography, and is endorsed by Dixie Outfitters, the Southern National Congress, League of the South, and numerous other pro-South organizations and individuals - and even by many Yankees. The Foreword is by noted African-American educator and...
