BHM Consulting Incorporated. Paperback. Book Condition: New. Paperback. 324 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. Many Years, Many Worlds simultaneously explores the loss of a parent and the intricacies of a tumultuous motherdaughter relationship while the author discovers her parents lives in the Middle East in 1949. It is both a tender and provocative book, invoking an emotional response, as it probes the way we look at world politics and human nature. While cleaning out her mothers shed, the day before her mothers funeral, Beth found letters and photographs that give deeper insight into the world as it was in 1949. Many Years, Many Worlds is a touching and engrossing true story that follows Beths discovery of her mothers letters and through them sees a side of her mother she never knew. Many Years Many Worlds is a testament to the resiliency of human nature and a reminder to gather the oral history of our elders before it disappears. It shows how the people we can see in hindsight are heroes were just leading their lives, or, as Beths father put it, Taking a plane from point A to point B. Take a while and lose yourself in the wonderfully rich world of 1949 and Operation Magic Carpet. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
