The happiness and wonder she experienced while discovering what she believed to be true love, and all the agony of betrayal by the one person she trusted the most. Redemption comes soon enough? After having her young son taken away as a toddler, devastating pain brings her to a depression so deep that it takes years to recover. Her strength of will is put through a test when the case crosses over the court systems from two countries: the United States and Greece. During this time, she digs deep for strength she never imagined she had to help her during her struggle to be reunited with him. Twelve and a half grueling years later, she is finally able to hug her son who is no longer a little boy but a young man, searching for answers about the mother he was told was dead.
