Candlewick Press (MA), 2014. Hardback. Condition: New. Language: English . Brand New Book. Red Panda s sweet tooth puts him in a sticky situation in this scrumptious tale of friendship and fairness. Red Panda is selling homemade candy apples. They are very sticky and quite delicious. So delicious, in fact, that Red Panda can t help but feel a little reluctant to let them go. Like most preschoolers, he would rather eat treats than sell them. He munches one, then another, and sets aside a third for later. What will happen when there s only one apple left to sell, but two friends waiting to buy? The lovable, friendly characters from Hedgehog s Magic Tricks are just the right size to discover that sometimes the best treats are those shared with friends.
