

The Broken Cup

By Heinrich Zschokke

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.NAPOULE, it is true, is only a very little place on the bay of Cannes; yet it is pretty well known through all Provence. It lies in the shade of lofty evergreen palms, and darker orange trees; but that alone would not make it renowned. Still they say that there are grown the most luscious grapes, the sweetest roses, and the handsomest girls. I don't know but it is so; in the mean time I believe it most readily. Pity that Napoule is so small, and can not produce more luscious grapes, fragrant roses, and handsome maidens; especially, as we might then have some of them transplanted to our own country.
