

The Family Tree Irish Genealogy Guide: How to Trace Your Ancestors in Ireland

By Claire Santry

2017. Soft Cover. Condition: New. Collector Bookstore is a retailer of new books located in Leavenworth, Kansas. We specialize in price guides and reference books for the antiques and collectibles industry. Discover your Irish roots! This comprehensive book will show how to find your Irish ancestors and learn more about them, with guides to identifying immigrant ancestors, researching major Irish records, and understanding Irish history and geography. Your Irish ancestors are calling! Dig deeper into your family's history with this complete guide to Irish genealogy. This book will take you step-by-step through researching ancestors from Ireland, from understanding genealogy basics to applying advanced research techniques to your family tree. You'll learn how to identify your immigrant ancestors, then how to use passenger lists, naturalization records, marriage certificates, census records and more to pinpoint the immigrant's place of origin. And once you've traced your ancestors back to Ireland, this book will show you how to use records from the old country to research further up your family tree. With chapters explaining the old country's history, geography and administrative divisions, plus sections about finding civil registration, church records, wills, deeds and other traces your ancestors left behind, this book has all the...
