

The Mommy Psychologist: The Child Psychologist Who Thought She Had All the Answers to Parenting Until She Became One Herself

By Heather Harrison, Dr Heather Harrison

Createspace, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Just like A Girlfriend s Guide to Pregnancy is the must-have book for any pregnant woman, The Mommy Psychologist is the must-have book for any new mother. If you are a mother, a mother-to-be, or thinking about becoming a mother then you must read this book. Grab a cup of coffee or a glass of wine and get ready to learn the real deal on motherhood. The stuff none of the other parenting books tell you. You might be surprised to learn that after natural childbirth, your vagina will look like Mike Tyson went nine rounds on it or that breastfeeding on the toilet cures constipation. The Mommy Psychologist is not another prescriptive, how-to guide on parenting. The last thing we need is another parenting book lining the shelves promising parental success if we apply the correct mathematical formula to our babies. It s narrated by a Child Psychologist who thought she had all the answers to parenting until she became one herself. She exposes her faults unapologetically in an account that is both hilarious and heartbreaking. She...
