Because: - You want to speak the secret gem language of the United States. - You want to expand your professional network and reach in Europe. - You want to be able to travel to the many countries that speak German. - You want to study abroad for cheap or free college education in Germany. - You want to have the easiest and fastest way to study German for beginners. German is the most opportune language that you can learn. Why? Did you know that it is the most widely spoken language in Europe, as well as has a strong speaker base in North America? In other words, it can unlock many hidden doors for you professionally at work and expand yourself personally at home and in life. Let's look at some of the most advantageous reasons to why you should learn German: Employment Edge - This one is obvious. Someone who is bilingual is going to be more desirable at a job than someone who only speaks one language. Germany is a huge economic player when it comes to Europe and a large one across the globe as well. Knowing German will give you a secret edge in the professional sphere. Education Benefit - Did you know that most of the universities in Germany are free to attend? Even if they aren't completely free, their price is a lot more affordable than in the United States and other places. When you learn German, you can have the opportunity to travel to Germany and enjoy the benefit of having a free or low-cost education....
