Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. BOOK DESCRIPTION: This is the story of a woman who was always angry and all she wanted to do was clean. As a result, she had no friends. Then something extraordinary happened, when she passed on, her shadow took on her life s purpose, and this is the story of what happened then. How the story came about? I wrote this story while living in California near an area called The Back Bay. This is a small patch of land which thankfully thus far, has been left in a natural state. I was walking my dog one day and sat on a bench and then this story unfolded in my mind s eye as told to me by the crows who were there. Thank you. Grace Divine.
