Reviews

This is basically the very best book i have read right up until now. It is definitely simplistic but excitement in the 50 % from the ebook. Your daily life period will likely be transform as soon as you total reading this article pdf.

JESSICA KINGSLEY PUBLISHERS, United Kingdom, 2001. Paperback. Book Condition: New. 228 x 156 mm. Language: English . Brand New Book. The book highlights many interesting discussion areas, leading toward reflection led practice. The need and value of supervision for those working for the NHS is another interesting area touched on throughout this book - AE It is recommended for all counsellors who work part-time or full-time in healthcare, and will also be invaluable for many colleagues of these counsellors and also all those who manage such services. Each chapter is written in a lively, personal way that invites the reader into a relationship with the author, raising awareness of the dilemmas counsellors may face in their work and what they need to support them, especially training and good supervision. The book represents a significant step forward in the literature on healthcare counselling and a copy should find its way into every healthcare library where counselling is a key part of the delivery of care. - Healthcare Counselling and Psychotherapy Journal It is recommended for all counsellors who work part-time or full-time in health-care, and will also be invaluable for many colleagues of these counsellors and also all those who manage such services. Each chapter is written in a lively, personal way that invites the reader into a relationship with the author, raising awareness of the dilemmas counsellors may face in their work and what they need to support them, especially training and good supervision. The book represents a significant step forward in the literature on healthcare counselling and a copy should find its way into every healthcare library where counselling is a key part of the delivery of care. - HCPJ This thought-provoking book gives contextualisation to the growth area of counselling in the NHS and elsewhere. Each chapter provides...
