XLBRIS. Paperback. Condition: New. 132 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. I would like to introduce you to my new book Called Discovering Americas New Beginning of We The People (A Christian Foundation) First, let me say Modern culture seems not too interested in truly seeing, hearing, or understanding Godly morals or concepts. With eyes fogged, ears clogged, and with hearts that are bogged down with the superficial cares of the world. Todays Western mind is so driven by the humanist pleasures that in this rat race of life theres no time (or perceived incentive) to even ask the basic questions of life anymore: Who am I Why am I here What is my Purpose in life where am I going when I die My prayer is that you will be truly immersed in the adventure of existence! Ask some questions, explore some assumptions, and launch an honest quest for meaning, purpose and Truth in your life. It is my hope that people will seek out the truth that can only be found in a personal relationship with God. God gives us timeless information, about life, liberty and meaning, we would do well to listen to him and him only. Discovering Americas New Beginning is about finding that truth, meaning, and purpose without any Denominational doctrines or Political Correctness to influence my message, work or Ministry. I am simple giving a message based on my new found trust in God and my personal relationship with him. Although Godly Morality is not todays mindset, however Truth is still Truth. It does not change with time, culture, or affluence. Simply, Jesus is Truth (John 14: 6), and Truth is the only way to ultimate freedom (John 8: 32). Discover Americas New Beginning is about all these concepts, Integrity, Honesty, Faith, Truth, Purpose,...
