Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Explore how the Korean War Started, the Aftermath and the Events in Between! It is about an often-forgotten war, fighting for its place in history between the two behemoths of the Second World War and the Vietnam War, which was no less significant, no less destructive, and had no less impact on the global politics of the twentieth century. Some of the topics...
