MENCKEN AND NIETZSCHE

[DOWNLOAD](#)

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 420 pages. Dimensions: 9.0in. x 6.0in. x 0.9in. This volume contains the complete text of two books. H. L. Mencken translated the book *The Philosophy of Frederick Nietzsche* from the original German. The second book, *The Antichrist*, was written by F. W. Nietzsche and translated by Mencken, who also wrote the forward. The book has been reformatted for consistency, to produce an accurate Table of Contents, and to display well on modern e-readers. Some redundancy has been removed from available electronic editions. The original manuscripts were used to correct errors of totally garbled text that appear in all the previously published free electronic versions. Mencken was an admirer of Nietzsches ideas. It appears that some of Menckens ideas about Jews and blacks (not his term, unfortunately) became more enlightened because of the influence of Nietzsches writings. The two men had relatively similar, but highly controversial, especially for the time, views of religion. The Central branch of the Enoch Pratt Free Library in Baltimore contains Menckens papers and many of his books. They are stored, fittingly, in the librarys Mencken Room. In 1907, Mencken published a book entitled *The Philosophy of Friedrich Nietzsche*, continuing his lifetime of study of the work of Nietzsche. Friedrich Wilhelm Nietzsche was October 15, 1844 in the small town of Rcken, in what is now Germany, but was then considered part of the Prussian Province of Saxony. (He did not use the middle name Wilhelm in his most important writings.) He died on August 25, 1900. He was, as was Mencken, an important contributor to many disciplines. He was especially well-known for his writings as a philosopher, poet, cultural critic and philologist. He was a Professor of Philosophy at the University of Basel for...
