Merchants of Vision

By James E Liebig

Berrett-Koehler Publishers. Hard cover. Book Condition: New. Hardcover. 242 pages. Dimensions: 9.3in. x 6.4in. x 1.1in. Can good business also further the common good? To answer this question, James Liebig interviewed dozens of business women and men in 70 organizations from 14 countries. Working with the World Business Academy - an international network of progressive business leaders committed to using their business expertise to make a positive difference in the world - Liebig found executives, entrepreneurs, CEOs, and consultants who are walking their talk by integrating their ideals in the world of commerce. Recognizing business's pervasive global influence, these business people have found ways to use that influence to affect positive change in people's lives and meaningful growth in their businesses. In *Merchants of Vision* they share their beliefs, experiences, and creative actions. Representing a variety of business enterprises in the United States, Latin America, Europe, and Asia, the innovators profiled are people of action and integrity who sustain themselves with the creative friction between their idealism and their knowledge of the real world. Though they have personally enjoyed the challenges of business and been successful by traditional standards, writes Liebig, they recognize that the business system has often not adequately served...

Reviews

Excellent eBook and useful one. It can be really fascinating through looking at period. You can expect to like just how the blogger created this publication.

If you need to add benefit, a must-buy book. It really is written in straightforward words and phrases and not confusing. You will not feel monotony at any time of your respective time (that's what catalogues are for concerning if you ask me).
