

Q.6.A and Other Places (Paperback)

By Francis Buckley

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In the following WW1 memoir I have tried to set down as faithfully as I can some of the impressions which remain to me now of three years service in France and Flanders. I have naturally suppressed much of the grim and ghastly horrors that were shared by all in the fighting area. A narrative must be written from some point of view, and I have had to select my own. I regret that so much personal and trivial incident should appear. Perhaps some will be able to see through the gross egotistical covering and get a glimpse, however faint, of the deeds of deathless heroism performed by my beloved comrades--the officers and men of the 7th Northumberland Fusiliers, the officers and men of the 149th Infantry Brigade, the officers and men of the 50th Division.
