REDEFINING BUSINESS IN THE NEW AFRICA: SHIFTING STRATEGIES TO BE SUCCESSFUL (PAPERBACK)

On Demand Publishing, LLC-Create Space, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. 2001-2010 proved to be a transitional decade for Africa, ushering in a new image and status for the continent. Africa began to show it was truly shaking the shackles of its colonial and chaotic past. Now that the New Africa has arrived, what does that mean? And, what does it mean for business? On almost every issue that has been pegged a negative for Africa - population boom, poverty, disease, governance, economic instability, and conflicts - there is evidence of a growing shift in the other direction. Businesses need to wake up and proactively shift to this new reality, or paradigm. While business principles apply across any market, businesses need to adapt their strategies to the context of Africa to be successful and understand that Africa is one of the key regional markets in the next generation of business. Redefining Business in the New Africa sets out to establish a new baseline and framework for engagement in Africa, which reflects the current and future trends of a region headed for emerging market status. While Africa still has to deal with legacy issues, the power of its now and future is greater. In this book you will learn about: - A new context and framework for business in Africa - A few major future trends and sectors in Africa - Strategic approaches to doing business and investing in the New Africa - How to tackle, or respond, to some of the challenges in the New Africa Get ready to rock and roll in this new era for business in Africa!.
