Sketching from Nature: A Handbook for Students and Amateurs (Paperback)

By Tristram J Ellis

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. H Stacy Marks (illustrator). Language: English . Brand New Book ***** Print on Demand *****.This volume of the Art-at-Home series is quite equal to any that have preceded it, and it is certainly superior to some. It is not easy so to render written instructions as to make them efficient in the teaching of art so purely practical as drawing and painting; but Mr. Tristram Ellis combines in himself two remarkable gifts, power with his pencil and the faculty of ranging all his experiences under principles; so that when he describes his processes he does so with such precision and effect that he cannot but aid the learner. Artists are not often highly gifted with this power; they accomplish their results, but they cannot make clear their rules or processes to others, if they even do so to themselves. Mr. Tristram Ellis has laid out his matter admirably; he proceeds from the simpler to the more complex; and if the pupil (with any genius for art at all, faithfully reduces to practice these counsels as he goes along, he can hardly fail of success. In a sense, such a handbook...
