Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Dating as a Millennial isn't easy. There are a variety of phone apps promising you can swipe right on your soul mate or a potential hookup, but none of them seem to offer a manual for how to meet your next catch. A candid, witty poetry memoir told in 101 haiku about one girl's struggle with dating in a world centered on finding love online and hookup culture. Search inside.
