The English sparrow has here found a new home; we saw flocks of from 50 to 100 of them, so tame that they hopped along among the passengers, who encouraged this familiarity by feeding them with seeds from their pockets and crumbs of bread. As a consequence of their presence, the trees are entirely free from insect enemies. While strolling in the suburbs of the city, we were forcibly struck with the number of pear trees standing on commons, unprotected by fences, the branches being borne down near to the ground with luscious fruit, and we wondered how it was that bad boys and cows did not fall heir to them, as would be the case in some other cities we know, but on asking a resident how all this came about, he replied that bad boys and cows were not permitted to run at large in that section of Uncle Sam s domain, and it would be well if in this respect other cities followed the example of Boston. Tegetable Garden-- Work for Oct. Harvesting the crop of this year, and preparations for those of next spring, will mainly comprise the work in the garden at this season. Asparagus should have the stalks cut off, and the bed should be hoed and receive a good dressing of manure. Beeit and Carrots should be dug and...
