Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Best Letters of Horace Walpole Early in the present century Lord Byron wrote, It is the fashion to underrate Horace Walpole; and one has only to turn to the reviews of that period to confirm the truth of the statement. Successive volumes of Walpole Letters, appearing at intervals between the years 1798 and 1857, when the first complete edition was issued, seem in general to have been greeted by the critics with a half-patronizing, half-scornful tone, which matched ill with the sale of the volumes and their popularity with the general public. On the appearance of the Montagu collection (1818), a writer in the Edinburgh Review says: His mind as well as his house was piled up with Dresden china and illuminated through painted glass; he was the slave of elegant trifles, and could no more screw himself up into a decided and solid personage than he could divest himself of petty jealousies and miniature animosities. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition.
