TRANSPORT AND NETWORKS (PAPERBACK)

Black Dog Publishing London UK, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book. As the environment becomes more fragile, existing transportation networks are more and more strained. Issues such as food miles and embodied energy in goods and products will become far more significant. Personal carbon quotas are likely to force a re-evaluation of our current lifestyles and single trips will carry greater levels of expectation. Casual long distance travel may be socially decried. Edge Futures...

Reviews

A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. Its been designed in an extremely basic way which is merely right after i finished reading through this publication where basically altered me, change the way i believe.
