Absolutely among the finest pdf I have got possibly read. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Through the kindness and friendship of the Nepaulese Ambassador, I was enabled to visit Katmandu under most favourable circumstances; and during the journey thither in his company I had abundant opportunity of obtaining much interesting information, and of gaining an insight into the character of the people, and their mode of every-day life, for which a residence in camp was peculiarly favourable.
