Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.More or less every adult at some point in their life, will have worked for a bad manager. If your manager is driving you crazy and making you miserable, then read CRAP MANAGERS and How to Survive Them . This witty, satirical book is based on real people and, if you are unfortunate enough to be working for a terrible manager, then you will find him/her in this book among the bullies, incompetents and obsessive compulsives. The book also skillfully satirises the absurdities of our management culture with its obsession about health and safety, jargon and micro-management. The razor-sharp, acerbic tone is complemented by excellent cartoons from well-known cartoonist, Mike Mosedale. Hopefully you will have a good laugh and draw inspiration from the tips for dealing with your manager. A great read, and highly amusing with brilliant cartoons. An excellent buy for managers and managed alike. (Bridget Pitt, author of Unseen Leopard) I thoroughly enjoyed it and found myself laughing out loud on numerous occasions. It serves as the ideal escape for dealing with awful managers (Lisa Haagensen).
